Studio Policy Statement

My life's passion is music and I hope to deliver an experience through my teaching that can help others reach a similar passion in music while allowing them to progress towards the goals they would like to reach. My lessons will focus on proper techniques in order to avoid putting strain on the student which is an essential part of staying happy and healthy with your instrument. I strive to take a song or style that interests the student and apply the techniques so that the student can learn while they play what they enjoy.

Fees

I charge \$55 for a 60-minute lesson or \$30 for a 30-minute lesson. Discounts apply to multiple student families and seniors/retirees.

Lesson length will be recommended based on student age and focus.

Payments will be made on the first of each month by electronic transfer to roganmca@gmail.com.

Lesson Scheduling

Lessons will be available online or at my home. My availability will be delivered upon contact.

Missed Lessons and Cancelations

There will be no make-up lessons for student cancellations except under extenuating circumstances, remaining up to my judgement as the teacher. Cancelations made by the teacher will be made-up ASAP.

If a student is feeling unwell but still able to learn, lesson format can be switched online for the duration. The same applies if I as the teacher are feeling unwell.

The student or guardian must give 4 weeks notice before termination of lessons with payment up until the last lesson.

There will be no refunds under any circumstances.
